

## NEARLY \$75,000 RAISED BY TEAMS FOR ST. ANTHONY'S

Canvassers Are Rolling Up  
Big Subscriptions for  
the Hospital.

The New York Stock Exchange yesterday got a touch of the "fever" which has become so contagious in Brooklyn during the past week. And now, thanks to the many stock brokers and traders on the floor, there isn't the slightest doubt that the \$100,000 which is needed to be raised for the new St. Anthony's Hospital in Woodhaven, will be raised long before the official closing of the campaign on Friday evening.

The Stock Market received quite a pleasant surprise yesterday afternoon when twenty of Brooklyn's prettiest girls invaded the floor and announced the fact that they wanted the financial support of all the men present. No sooner was the object of their visit made public than every man in the place signed a pledge to do all in his power to help raise the money. Many even went as far as writing checks and handing them to the fair visitors. Consequently more money than was ever anticipated was received yesterday at the daily luncheon held at the Imperial Hotel, Brooklyn, where St. Anthony's official headquarters are situated.

Nearly \$75,000 was the goal reached at the close of the fifth day. Much of this has been contributed by the Catholic parishes of the borough, where the men and the women on the various committees have been canvassing. There has hardly been a single district in the entire of Brooklyn which hasn't been invaded, and the generosity of the residents of the borough will long be remembered.

One of the striking features of this whirlwind campaign is the fact that regardless of creed or color, every one is doing his share toward alleviating the suffering of the less fortunate. Those of the Jewish religion have come bravely to the front, and now there isn't a single Jewish organization that has not contributed large amounts of money. There is one team consisting of Hebrews of which Mr. Finkels is the leader. They have worked earnestly since the beginning of the campaign. Nearly every day they have reported a thousand dollars, and often have far exceeded that mark.

Dr. Grant Baldwin, who will hold the post of medical superintendent of the new hospital, was the principal speaker yesterday afternoon. He outlined, in brief, the work of the Little Sisters of St. Francis, telling how they have

hailed and housed thousands of the sick and suffering poor. John H. McCoskey, Judge Luke D. Stapleton and Rabbi Herbert Leventhal, of the Ninth Street Temple, made addresses, and assured the workers of their hearty cooperation.

Mrs. John Brennan received the pennant for the women's team, and August J. Ryan for the men's. The keen rivalry which has existed so far between the men and the women has ceased for a time. They are working hand in hand now, both striving for the success of the campaign. Wherever the women work, if they are in need of an escort, the men are only too anxious to act in that capacity. Michael J. Donovan guided the young girls in charge of Mrs. Henry Young, through the stock market yesterday, and introduced them to many of the prominent officials.

"There is little fear of our losing out in the campaign," said Commissioner Arthur J. O'Keefe to-day. "With such hearty workers as we have, and judging by the support which we have already received, we will far exceed the mark we have set."

On Friday night, at the Twenty-third Regiment Armory in Bedford avenue, a monster dance is to be given by the workers in the field to their friends. Incidental to the dance and music, the various teams will report their collections.

**BURGLAR IS SENTENCED TO 9 YEARS AND 10 MONTHS.**  
Two Crackmen Are Disposed of by Courts During One Day's Work.

Three self-confessed criminals, two arrested for burglary, the other for petty larceny, were sentenced yesterday in the Supreme Court and the Court of General Sessions. The disposition of the three was as follows:

**BY JUSTICE SEABURY.**  
Timothy Leach, thirty-four years old, of No. 283 White avenue, Brooklyn, pleaded guilty burglary at No. 287

Grand street. Fourth offense. Penitentiary one year.  
**BY JUDGE SULLIVAN.**  
George Brown, twenty-three years old, of No. 325 West One Hundred and Seventy-third street, pleaded guilty theft \$10 worth of property from No. 325 West One Hundred and Ninth street. First offense. Penitentiary thirty days. Restitution made.

**BY JUDGE WOSKALSKY.**  
John Lyons, twenty-one years old, of No. 1903 Mansion street, Bronx, pleaded guilty burglary at No. 411 East One Hundred and Fortieth street and assaulting two policemen with revolver. Second offense. State prison four years and ten months on each charge.

**BIG AWARDS FOR STREETS.**  
Stover Gets \$200,000 to Repave Riverside Drive.  
Park Commissioner Stover now has at

his disposal \$200,000 for repaving Riverside Drive from Seventy-second street to One Hundred and Tenth street. The Board of Estimate voted him the money to-day. It is the Commissioner's intention to build a bituminous macadam road with a concrete foundation and this he says will endure forever. The Board also voted the Commissioner \$100,000 to finish the work of repaving the west and east and middle drives in Central Park.

One million and a half dollars were also appropriated for repaving Manhattan streets and \$200,000 for repaving Brooklyn streets.

**Minnesota Boxing Bill Killed.**  
ST. PAUL, April 10.—The bill permitting boxing, which was passed by the lower branch of the Minnesota Legislature last night, was killed by the Senate General Legislation Committee. An attempt in the Senate to overthrow the committee's action may be made when the committee reports, it was stated.

## FOR DANDRUFF, FALLING HAIR OR ITCHY SCALP—25 CENT "DANDERINE"

Save your hair! Danderine destroys dandruff and stops falling hair at once—Grows hair, we prove it.

If you care for heavy hair, that is thin, faded, dry, scraggy or too oily, don't hesitate, but get a 25 cent bottle of Danderine, because nothing else accomplishes so much for the hair.

Just one application of Knowlton's Danderine will double the beauty of your hair, besides it immediately dissolves every particle of dandruff; you cannot have nice, heavy, healthy hair if you have dandruff. This destructive stuff robs the hair of its lustre, its strength and its very life, and it not overcome it produces a feverishness and itching of the scalp; the hair roots fall out fast.

If your hair has been neglected and is thin, faded, dry, scraggy or too oily, don't hesitate, but get a 25 cent bottle of Knowlton's Danderine at any drug store or toilet counter, apply a little as directed and ten minutes after you will say this was the best investment you ever made.

We sincerely advise, regardless of everything else advertised, that if you desire soft, lustrous, beautiful hair and lots of it—no dandruff—no itching scalp and no more falling hair—you must use Knowlton's Danderine. If eventually—why not now? A 25 cent bottle will truly amaze you.

Beginning Tomorrow, 8.30 A. M.
